SUBJECT: **Water Service Restored on Wednesday, April 24th**
City Project No. 24-01

The gate valves near 2nd Street and Krech Avenue have been replaced. Your water service should be restored at this time. If you experience any discoloration of water after your water service is restored, flush your water lines by running cold until the discoloration disappears.

If you have any questions or special requests, please contact our office at 651-429-8531.

Thank you for your patience and understanding.
