SUBJECT: **Rescheduled Water Shut Off on Monday, April 29th**
City Project No. 24-01

On Monday, April 29th (weather permitting), the City will be replacing a hydrant and gate valves on 3rd Street and Campbell Avenue. This will require a temporary shutdown of your water supply.

The shut-off will affect **3rd Street (from Campbell Avenue to Bald Eagle Avenue), Campbell Avenue (from Birch Lake Avenue to 4th Street), Birch Lake Avenue (from 2nd Avenue to Bald Eagle Avenue), and Bald Eagle Avenue (from Birch Lake Avenue to 3rd Street).**

The water will be shut off at your residence beginning at 8:00 a.m. until approximately 4:00 p.m. on Monday, April 29th. Please draw any water before 8:00 a.m. for your use during this time frame.

We realize that shutting off the water is troublesome for everyone involved; however, we will make every attempt to have the water back on as soon as possible.

If you have any questions or special requests, please contact our office at 651-429-8531.

Thank you for your patience and understanding.
