TO: All driveways on the West side of Wood Avenue

FROM: Dan Holzemer, Senior Engineering Technician

DATE: May 9, 2024

SUBJECT: **Concrete Sidewalk Installation**
City Project No. 24-01

Weather permitting, the contractor will begin prepping concrete sidewalk on Friday morning (May 10th). Please have all vehicles out of your garage and driveway before Friday, May 10th at 7:00 a.m. **Please do not park vehicles on Wood Avenue so crews have room to work.** Concrete sidewalk along **Wood Avenue** will be placed starting on Friday, May 10th. You will not be able to get in or out of your driveway from when the sidewalk and apron are placed for approximately 5 days following the concrete placement.

Affected residents should have any cars, trucks, boats, etc. that you will need for the next five days out of your driveway and garage.

- **After the driveway and/or end has been placed you will NOT be able to use your driveway for five (5) days after concrete is poured, or until the contractor has ramped your driveway with gravel.**
- **You WILL be able to park in the street during the day in front of your house.**

SAFETY REMINDER!! Due to heavy truck traffic and general construction activity, we would ask all parents to inform and make their children aware of the dangers of construction sites and to keep their children a safe distance from all construction areas. Your support and cooperation in assisting us to maintain a safe work zone and cautioning children about the dangers of construction sites will be appreciated.

If you have any questions, please contact our office at (651) 429-8531.
