SUBJECT: **Water Shut Off on Tuesday, April 23rd**
City Project No. 24-01

On Tuesday, April 23rd (weather permitting), the City will be replacing three gate valves on Wood Avenue. This will require a temporary shutdown of your water supply.

The shut-off will affect **Wood Avenue (from Birch Lake Avenue to 4th Street)** and **2nd Street (from Krech Avenue to Wood Avenue)**.

The water will be shut off at your residence beginning at 8:00 a.m. until approximately 4:00 p.m. on Tuesday, April 23rd. Please draw any water before 8:00 a.m. for your use during this time frame.

We realize that shutting off the water is troublesome for everyone involved; however, we will make every attempt to have the water back on as soon as possible.

If you have any questions or special requests, please contact our office at 651-429-8531.

Thank you for your patience and understanding.
